The Gap

Achievable design for all

The exciting bathroom and furniture collection **The Gap**, designed by Antonio Bullo, has subtle design details that complement the smooth, clean lines of each piece.

The Gap offers a wide choice of basins, WCs, bidets, furniture and baths to appeal to each individual need and allows the desired bathroom space to be perfectly tailored to each taste and requirement.

The Gap back-to-wall WC with Basic cistern and operating panel, back-to-wall bidet, Targa brassware.

4 ▣

The Gap close-coupled WC, floor standing bidet, Targa brassware.

CleanRim The Gap WC.

The Gap offers four WC options: CleanRim The Gap, close-coupled, back-to-wall, and wall-hung all with the option of soft-close or standard seats and covers.

CleanRim The Gap is rimless and flushes from an efficient distributor at the back of the toilet which has allowed us to reduce the flush volume to just 4 and 2 litres. It is also extremely hygienic and very easy to clean. The standard close-coupled cistern is available as 4.5/3 litre dual flush.

There are also three bidets available to perfectly complement all WCs: floor standing, back-to-wall and wall-hung all of which can also be installed with a soft-close or standard cover.

The Gap has a total of nine different basin options including: wall-hung, cloakroom, semi-recessed and corner basins, with sizes ranging from a generous 650mm to a compact 350mm. All wall-hung basins feature ground bases allowing easy installation on a countertop and giving greater choice for the consumer.

The Gap 650 x 470mm basin with The Gap 650mm base unit, The Gap column unit (RH), back-to-wall WC with Basic cistern and operating panel, back-to-wall bidet, Targa brassware, Luna mirror.

To complement **The Gap** basins there is an exclusive furniture collection with seven different size options to suit the 650, 600, 550, 500, 450, 400 and 350 basins.

The Gap 450 x 420mm basin with The Gap 450mm base unit, The Gap wall-hung WC with Pro bracket and operating panel, wall-hung bidet, Targa brassware, Luna mirror.

The Gap furniture is available in three matt finishes; Beige, White and Grape – something to suit all tastes. All three finishes will instantly add a sophisticated touch to any bathroom, whilst having the option of adding an accent of colour. Optional chrome legs are also available in pairs for the 650, 600, 550 and 500 base units if required (either 2 or 4 legs can be installed).

The Gap 450 x 420mm basin with The Gap 450mm base unit, Targa brassware, Luna mirror.

14 ▣

The Gap right hand column unit.

The Gap column unit and base units offer ample storage on the wall and beneath the basin. The column unit has two shelves, and the base units to suit the 450, 400 and 350 basins have a soft-closing door to maximise the space in more compact spaces. The larger base units to suit the 650, 600, 550 and 500 basins have a large soft-close drawer and all feature a polished chrome handle giving a modern and contemporary finish.

In addition this extensive range also features an acrylic bath collection and **The Gap Unik**. Available in five different sizes, including double-ended options, **The Gap** bath adds the perfect finishing touch to any bathroom space. **The Gap Unik** combines the basin, base unit and a Targa basin mixer (tap is optional) as one individual product, offering one complete solution. Available in three sizes: 800mm, 700mm and 600mm, it is perfect for those seeking maximum storage in the bathroom without compromising on style. Optional chrome legs are also available in pairs if required (either 2 or 4 can be installed).

Design

We surround ourselves with the world's finest architects and designers, such as Chipperfield, Moneo, Schmidt & Lackner, Herzog & de Meuron... We want to offer a design that will make your bathroom a unique space.

Innovation

We have our own Innovation Lab where we experiment every day with new ideas, designs and materials, with the sole aim of enhancing your bathroom experience and providing solutions to make your everyday life more comfortable.

Sustainability

We love our planet and we prove it every day. This is why our products have advanced water and energy-saving devices that permit a balanced and sustainable coexistence with our environment.

Many of our products are registered with the Water Label Scheme, meaning they have been independently verified as being water efficient. Look out for the Water Label logo in the technical specifications section.

The Roca Guarantee

Every one of the products we sell complies with all specific European regulations. We offer you the finest product with the best guarantee. Our goal is your total satisfaction.

The quality of Roca products has been acknowledged throughout the world.

- 2013** ■ **Wallpaper* Design Awards.** In-Tank Meridian was awarded the Best Toilet Award.
